Yarn B – clay

For two colour coasters >

- Follow the pattern above but change to Yarn B for rounds 3 and 4, changing colour on the last stitch of round 2.
- Carry yarn A at the back of the work, so you can switch back to yarn A for rounds 5 and 6.
- If you are making the larger coasters, switch again to yarn B for rounds 7 and 8. Work 1 ss in next dc, fasten off and weave in all ends.
- Please note > Carrying colours – Yarn A is carried on the back, to do this, wrap yarn A around the new colour (yarn B), moving it to the back, before starting the round in yarn B.
- Continue to wrap the non-working yarn for each round until it is needed again.
